

AnkFALL DATASET

EULA (End User License Agreement)

By signing this document, the user agrees to the following terms.

1 Commercial use

The user may only use this dataset for academic research. The user may not use this database for any commercial purposes. Commercial purposes include, but are not limited to:

- Training or proving the efficiency of commercial systems.
- Using screenshots of subjects from the database in advertisements.
- Selling data from the database.
- Creating military applications.

2 Distribution

The user may not distribute the dataset or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations. Note that publications will have to comply with the terms stated in article 4.

3 Access

The user may only use the dataset after this EULA has been signed in all pages and returned to the dataset administrators. The user must print and sign the EULA, then scan it and send it by email with the subject line "**AnkFALL access request**". Please send the scanned EULA (preferably in pdf- format) **using your institutional email** to: ankfall.dataset@atc.us.es

Upon receipt of the EULA, we will check your information regarding institution and position and we will share a link with a password to download the latest version of AnkFALL dataset. This link will be only available during the next 7 days.

4 Publications

Publications include not only papers, but also presentations for conferences or educational purposes. All documents and papers that report on research that uses the AnkFALL dataset should acknowledge this by citing the following paper:

Authors: Francisco Luna-Perejón, Luis Muñoz-Saavedra, Javier Civit-Masot, Antón Civit and Manuel Domínguez-Morales.

Year: 2020.

5 Changes

The AnkFALL dataset administrators reserve the right to change this EULA at any time; users will be informed about changes beforehand and given the choice to opt out of the new EULA. Opting out will render the previous EULA void (and thus the user will lose their right to use the dataset).

6 Warranty

The dataset comes without any warranty, the AnkFALL dataset administrators cannot be held accountable for any damage (physical, financial or otherwise) caused by the use of the database.
